Dear Sharmen Lane:

On behalf of East Hartford High School's administration and students, I want to extend my appreciation for your presentation to our juniors on November 14th. The inspirational story of your life provided the juniors with an example of how choice can impact so many aspects of one's life. You may be interested to know that the students were discussing the presentation throughout the remainder of the day. You have truly challenged our students to think about the decisions that they make and the consequences that will follow; good or bad.

Thank you for reaching out to the students of East Hartford High School.

Sincerely,

Michelle T Marion
Assistant Principal
