To Whom It May Concern:

I have had the distinct pleasure of personally meeting and experiencing Sharmen Lane of SharSpeaks. We invited her to speak to our mortgage brokerage firm.

Sharmen Lane and her seminar did what it promised and more! The enthusiasm that she brings along with her education is exactly what we were looking for. Sharman is truly motivated, educated and provided the necessary tools to set goals and come up with a realistic plan to for each of us to reach.

Her drive and abilities will truly be an asset to your establishment. You will walk away more creative, organized and goal oriented in your personal and profession life. I highly recommend introducing Sharmen Lane into your life.

Warmest regards,
