Sharmen,

I wanted to write to you to thank you once again for coming to speak to our office in Cerritos and in Corona. We had about 100 Financial Advisors in attendance and the overwhelming feeling about your presentation was **OUTSTANDING!!!** We would like to build a coaching relationship with you and my firm. We had several Registered Representatives express they would like to go thru your coaching program. We would also like to have you come back and speak at our National Conference in March where there will be about 20,000 people in attendance. We thank you again and looking forward to seeing you soon.

Respectfully Yours,
