**Sharmen Lane has trained, managed, and coached thousands of individuals on what it takes to get what they want in business and in life.** She is rapidly gaining celebrity status as an author, speaker, and host of the *Success Made Simple* Radio Show on *Webtalkradio.net*, with a worldwide audience of more than 100,000 listeners every month.

**Sharmen gives you the WOW and the HOW!** Unlike most motivational speakers who just give you the *rah rah* excitement, Shar takes it a step further... she gives you motivation and inspiration along with practical yet powerful information and tangible tools to create the life you want. Shar offers amazing techniques and tips to help make you successful at achieving your goals, no matter what they are.

Sharmen is represented by one of the nation's most highly regarded literary agents who was responsible for the "For Dummies" series and represents other successful authors such as Eckhart Tolle.

Sharmen wrote the book titled "**The 7 Secrets to Create Your Fate**", a personal growth, self-development book that provides the motivation, inspiration and information to help you create the life you dream of. She has personally gone from being a manicurist to millionaire and she did it by using all the principles described in her book. Shar takes you from NOW to WOW and shows you how to make it all happen!

She currently has several programs. *The 7 Secrets to Success*, *Success Made Simple* (*easy as ABC*), *The 3 C's To Success*, *The 7 Secrets to Create Your Fate* and *GPS~Navigate Your Way To The Life You Want*, just to name a few. Sharmen will be giving a keynote presentation at the Arizona Women's Expo in 2009.
