To Whom It May Concern,

It is my pleasure to recommend Sharmen Lane for any of your professional speaking needs. I met Sharmen when she was a speaker on a multi million dollar national speaking tour, Close More University. Sharmen consistently received the highest marks from thousands of attendees nationwide.

Sharmen is an excellent communicator. Her written work as well as her verbal communication is second to none. She's well disciplined, has a phenomenal reputation and has a very pleasant personality. She goes above and beyond all requirements in the quantity and quality of her projects, putting in a lot of extra effort to ensure everyone she speaks to comes away with complete satisfaction.

She is an exceptional candidate for any key note, workshop or seminar leader roles that you may need. She provides any organization with great benefit and value. She has proven herself to inspire those around her to persevere over any situation and takes initiative to creatively satisfy every audience.

If I can be of any further assistance, or provide you with any further information, please feel free to contact me.

Sincerely,
